Capital Data Analytics Wins 2022 Qlik Partner Award

Recognized for Outstanding Achievement, Innovation and Joint Customer Success with Qlik

March 3, 2023—Capital Data Analytics announced today they have been recognized by Qlik as the Enterprise Partner of the Year of 2022.

Presented annually, the awards recognize the Qlik partner community for excellence in several different categories both on a global scale and within key regions.

Capital Data Analytics won the North America New Partner of the Year award in 2021 and is proud to continue its success.

“We’re thrilled to recognize Qlik’s global partner ecosystem, which has continued to further our joint mission of helping current and future customers drive more value from data with their investment in Qlik,” said Itamar Ankorian, Senior Vice President, Global Partners and Alliances at Qlik. “As organizations look to adopt the cloud to drive their businesses forward and create more certainty through data, we celebrate our partners’ success in helping to deliver our unique data and analytics solutions in markets across the world.”

Paul Bowser, COO of Capital Data Analytics, accredits the win to their continual investment in people. “Our team has a rich legacy of building trusted partnerships, with customers regularly coming to us for our deep technical expertise and comprehensive understanding of market needs.” Kyle Frye, CTO and Principal Consultant at Capital Data Analytics, adds “We continue to look forward to delivering holistic solutions that help organizations understand their data in a whole new way to drive business growth.”
